5. ELECTION OF SECRETARY

INFORMATION:

Section 1850.3 (d) of the Public School Code states: "Each year during the month of December, the Joint Committee shall choose from its members a chairman and vice-chairman, each to serve for one year; and shall, annually, during the month of May, elect a treasurer to serve for one year, beginning the first Monday in July following such election; and shall, during the month of May, once every four years, elect a secretary, who may or may not be a member of the area vocational-technical school board, to serve for a term of four years, beginning the first Monday of July following such election."

RECOMMENDATION:

- a.) That the salary of the Joint Committee Secretary of the Bethlehem AVTS be fixed at \$1,900.00. This amount represents a \$400 increase from the previous four-year term and is significantly lower than the other area CTE's; the last increase was in 2021.
- b.) That Susan M. Fahrenkopf be elected Secretary of the Bethlehem AVTS for a term of four years beginning July 1, 2025.
- c.) That the bond of the Secretary be fixed at \$10,000.00, premium to be paid by the Joint Committee.

7. CTSO CONFERENCES

a. HOSA INTERNATIONAL LEADERSHIP CONFERENCE

RECOMMENDATION:

The Bethlehem Area Vocational-Technical School HOSA-Future Health Professionals chapter is requesting to take seven (7) students and two (2) advisors/chaperones to the International Leadership Conference in Houston, Texas June 17-22, 2025. The students placing first through third at the State Competition will be competing. The approximate cost to the school for the three (3) gold medalists and two (2) chaperones, is \$5,000.00. The cost for the two (2) silver medalists and two (2) bronze medalists to attend will be paid with money raised through fundraising and parent contributions.

b. SKILLS USA NATIONAL LEADERSHIP AND SKILLS CONFERENCE

INFORMATION:

The Bethlehem Area Vocational-Technical School SkillsUSA Organization would like to send two (2), two (2) advisors and one (1) administrator to Atlanta, Georgia for the 2025 National Leadership and Skills Conference (NLSC) to be held June 23-28, 2025. 9. HEALTH INSURANCE RATES FOR 2025-2026

INFORMATION:

Previously our health insurance composite, COBRA and self-pay rates were approved by the Employee Benefit Trust of Eastern Pennsylvania (EBTEP). After further review by EBTEP, several years ago it was determined that our individual school boards should approve the rates. The composite rates were incorporated into the 2025-26 budget. The retiree, self-pay and COBRA rates were calculated by Conrad Siegel.

12. <u>EXPANSION PROJECT – THE FACTORY CAMPUS RENOVATIONS AND MAIN</u> BUILDING IMPROVEMENTS

INFORMATION:

Per the approved Memorandum of Understanding to the Articles of Agreement, BAVTS shall oversee and coordinate all design and construction activities associated with The Factory building location. Also included in the final project funding are improvements to BAVTS main campus location.

• Factory Building

The Factory Building scope includes creating a New Welding Shop within the confines of the west metal building. The scope for the welding shop includes a classroom, locker rooms, and a bathroom associated with the welding program. Other work at the building includes a new secure vestibule for the building's main entry, toilet rooms, and a new elevator for ADA compliance. There is no work being done to the exterior aesthetics of the building. The existing building fits our needs very well, and the scope for the repurposing of spaces for new program space is as follows: Aviation Mechanics, Sports Medicine, Health Careers, Electronics, Future IT Networking, and Administrative. The scope of work for this includes some limited interior renovations, new electric, data, and HVAC modifications to serve the new programs.

The majority of the Factory Building scope is MEP infrastructure, and therefore, it may be more efficient and cost-effective to contract directly with CHA Solutions, including all services, instead of the RFP process. CHA Solutions' responsibilities would include preconstruction activities, design, testing, and developing bid documents needed to solicit bids for the project as soon as possible to open The Factory for the August, 2026. CHA's proposal is attached for approval if the Joint Committee chooses to proceed with this process.

• Main Building

The work is limited to site improvements for safety and parking lot improvements, including stormwater and land development improvements. We are also doing limited program work that includes a new Vet Tech Lab, with dog runs, repurposing some existing rooms to support Health Careers, Co-op, Medical/Office Administration, Cyber Security and IT Networking programs. The scope of work for this is limited to some interior renovations and new electric and data required for program needs. This work is primarily site, civil, and infrastructure, with very limited architectural design required.

12. <u>EXPANSION PROJECT – THE FACTORY CAMPUS RENOVATIONS AND MAIN</u> BUILDING IMPROVEMENTS, Cont'd.

INFORMATION, Cont'd.:

In order to move forward, the Joint Committee will need to determine if they want to request proposals for professional services (Architect, Civil Engineer and Geotechnical Engineer) or contract directly with their current engineering company, CHA Solutions (CHA) for the project.

If the Joint Committee wishes to move forward with requesting proposals for the required design professionals, the administration recommends utilizing CHA to coordinate the RFP process. An agreement for CHA's services will need approval. This option will target a December 2026 completion of the Factory Building with an opening for the 2027-2028 school year.

If the Joint Committee decides to contract directly with CHA for the design, testing and preconstruction activities needed to develop bid specifications and solicit bids for the project as soon as possible, an agreement for CHA's services will need approval. This option will target an August 2026 opening for the Factory Building.

All agreements are attached for consideration.

RECOMMENDATION:

That the Joint Committee authorize CHA to proceed with the Design & Bidding of The Factory Scope of Work as per the attached Presentation and Fee Proposal (*Attachment 1*) and authorize the Executive Director to sign all necessary documents associated with the project.

And,w it is further recommended that the Joint Committee authorize CHA to proceed with the Design & Bidding of the Main Building Scope of Work as per the attached Presentation and Fee Proposal (*Attachment 3*) and authorize the Executive Director to sign all necessary documents associated with the project.

RE: Design Services Proposal for Repurposing 315 Columbia Street

Dear Deb:

We are pleased to provide you with a fee proposal for Design Services for the Renovations to the Bethlehem Area Vocational-Technical School building located at 315 Columbia Street. Construction Phase Services will be outlined in a separate proposal once bids are received and BAVTS is prepared to make bid awards. An overview of the Services provided are as follows:

A. SCOPE OF SERVICES

GENERAL

- 1. Attendance at Board or Facilities Committee meeting at the Client's request to discuss engineering issues as they relate to Capital Improvements.
- 2. Assistance to Client in scheduling for the project and establishing budgets.
- 3. Prepare milestone project schedule.

SECTION 1: SCHEMATIC DESIGN PHASE:

- 1.1 Visit the Project Site to survey existing conditions.
- 1.2 Field measure and prepare As-Built Plan in Revit (3D).
- 1.3 Provide Schematic Design Site Plan and Building Floor Plans.
- 1.4 Provide Construction Budget based on Schematic Design.
- 1.5 Review Code Requirements and Scope required for change in occupancy.

SECTION 2: DESIGN PHASE

- 2.1 Design and specify all components for the construction of the Repurposing of Spaces.
 - a. Demolition and Proposed Floor Plan.
 - b. Prepare Civil Site Plan for any City Improvements and signage.
 - c. Provide Architectural Site Plan.
 - d. Finish Schedules.
 - e. Casework Plans and Elevations.
 - f. Sections and Details.

- 2.2 Provide Electrical Engineering Services.
 - a. Lighting Plans.
 - b. Power and Communications Plans.
 - c. Power Distribution Plans as required for new programs.
- 2.3 Provide Mechanical Engineering Services.
 - a. Modification to existing system plans.
 - b. Plans and details for new systems required for new programs.
- 2.4 Provide Plumbing Engineering Services.
 - a. Plumbing Plans showing modifications to existing systems and proposed installations.
- 2.5 Provide Fire Protection Engineering Services.
 - a. Review and modify Sprinkler System for New Fit Out.
 - b. Develop Fire Protection Plans.
- 2.6 Provide Structural Engineering Services.
 - a. Provide Structural Plans and Details as required for proposed new construction.
- 2.7 Provide Survey and Site Plan required for approvals.
 - a. Prepare Boundary, Utility and Topo Survey for Zoning Submission.

SECTION 3: BIDDING PHASE

- 3.1 Prepare bid drawings, specifications, and other contract documents for bid package, advertisement for bids, and assist in soliciting bids from contractors.
- 3.2 File for prevailing wages and incorporate wage requirements into future contract(s).
- 3.3 Conduct a pre-bid conference, respond to contractor questions, and issue any necessary addendum.
- 3.4 Review bids, prepare contracts, including review of bonds and insurance for conformance with contract requirements.

SECTION 4: CONSTRUCTION ADMINISTRATION SERVICES

4.1 Construction Phase Services will be outlined in a separate proposal once bids are received and BAVTS is prepared to make bid awards.

Exclusions

The Services outlined in the Proposal excludes the following list of items:

- (1) Geotechnical investigations/soil testing are excluded and a supplementary proposal will be provided if required for the Project.
- (2) Costs to prepare and submit county, state, or federal approvals, including preparation of site survey, land development plans, and Conservation District (NPDES) approvals will be billed separately on a time and expenses basis or by proposal.

- (3) Investigation which requires destructive testing (i.e., masonry probes, concrete/asphalt cores, etc.) performed by a third party would also be excluded and completed under a supplementary proposal or as a reimbursable expense.
- (4) Environmental investigations.
- (5) Technical reports and studies.
- (6) Construction contract administration services other than those listed.
- (7) Certified construction inspections, material testing, and commissioning of mechanical and electrical systems.
- (8) HVAC commissioning services.
- (9) LEED Design/Documentation Services.

B. SCHEDULE OF DELIVERABLES

The preliminary Project timelines as defined for this Agreement are as follows. The actual timelines will be determined by the actual design and approval process. If the Project timelines are extended through no fault of the CHA, CHA will submit a proposal with specific hours and fees for review by Client. No additional costs will be incurred by CHA without prior written approval of Client.

Phase	Period	No. of Months
Design and Approvals	5/1/25 to 11/1/25	6
Bidding and Award	11/2/25 to 1/2/26	2
Construction	1/3/26 to 7/15/26	6
Project Closeout	7/16/26 to 8/16/26	1

C. PAYMENT FOR SERVICES

The methods of Payment for Services and Expenses of CHA shall be as follows:

- 2.1 For Basic Services. Client shall pay CHA for Basic Services rendered under Section A, Scope of Services, the following amounts:
 - Programming, Scope, Budget, Schedule & Value Engineering (CHA)
 - Project Coordination, Administration and Bid Documents (CHA)
 - Architectural Services (Alloy 5)
 - Civil Engineering (Terraform Engineering)
 - MEP Engineering (CHA)
 - Structural Engineering (CHA)

Total For Design & Bidding Phase: \$590,000.00

- Design Phase Testing Allowance: \$30,000.00
- Construction Phase and Administration: \$ TO BE DETERMINED

*Fees shown are for months of service shown in Section B. Additional fees may be required should any Phase extend beyond the number of months stated in Section B.

- 2.2 <u>For Additional Services</u>. Client shall pay CHA for Additional Services in accordance with the terms stated in the written authorization to perform such Additional Services.
- 2.3 <u>For Reimbursable Expenses</u>. In addition to payments provided for in Paragraphs 2.1 and 2.2, Client shall pay CHA the actual costs of all Reimbursable Expenses reasonably incurred in connection with all Basic and Additional Services. Reimbursable expenses for project-related expenses such as printing, mileage, etc., will not exceed \$10,000.00 without prior approval of Client. Reimbursable Expenses are defined as actual expenses reasonably incurred by CHA or CHA's independent professional associates or consultants, directly or indirectly in connection with the Project, but such Reimbursable Expenses shall only be paid in accordance with this Paragraph 2.3, at cost.
- 2.4 <u>Times of Payments</u>. CHA shall submit monthly invoices for Basic and Additional Services rendered pursuant to the fees and schedules listed above, and for Reimbursable Expenses incurred. Invoicing is based upon the schedule identified in Section B and the fee identified in Section 2.1 on a prorated basis per month. The Client shall make prompt monthly payments in response to CHA's invoices.
- 2.5 The included hourly rate fee schedule in Section 2.6 below shall apply for any additional or hourly rate services billed. The annual inflation increase for all professional fees is 2%.

RE: Proposal for Resident Project Engineer Services for the 315 Columbia Street Repurposing.

Dear Deb:

We are pleased to provide you with a fee proposal for Resident Project Engineer (RPE) Services for the 315 Columbia Street building.

An overview of the Services we will provide for the Project are as follows:

A. SCOPE OF SERVICES

SECTION 1: GENERAL:

- 1.1 General: Client plans to Renovate the existing Factory Building to provide the BAVTS with a new Educational Facility (the "Project"). The Project consists of interior renovations to repurpose the existing space for new educational programs that will include modifications to existing spaces for new programs, modifications to existing HVAC systems as required for new spaces, modifications to electrical and communication systems and the renovations for a new welding lab.
- 1.2 CHA will serve as Client's professional engineering representative for the Project and provide professional engineering consultation and advice through completion of the Project.

SECTION 2: PRE-DESIGN PHASE SERVICES:

During this phase, CHA will work closely with Client's personnel to investigate and develop Project criteria and program requirements.

2.1 Develop program criteria. CHA will work in conjunction with the Client's administration personnel and building representatives to define clearly the program for the facility which can then be used to establish preliminary design information for the design professionals. This effort will define the Client's desires with regard to the criteria for the Project, i.e., educational requirements, space needs, mechanical systems of the building, audio-visual provisions, future expansion, computer networking, building security, etc.

Page 2 of 7

May 1, 2025

- 2.2 Scheduling. Overall preliminary scheduling for the Project, including pre-design, design, and construction phases will be prepared.
- 2.3 Perform preliminary investigation of local and state agency requirements, such as local zoning requirements, land development and Planning Commission, DEP, etc., for establishing schedules and submittal requirements.
- 2.4 Assist with planning for phased construction sequence including planning for any temporary buildings or site features.
- 2.5 Cost analysis. Develop budget estimates for planning the Project using estimates from similar projects and based on current market conditions and using the estimates developed in the preliminary planning phase.
- 2.6 Value Engineering. Identify systems and opportunities for value engineering considering first costs, operation, maintainability, and life cycle.
- 2.7 Assist the Client in establishing criteria for design professionals, including scope of work, scope of services, time schedule, budget, and Project criteria.
- 2.8 Prepare scope, issue RFPs, and manage all Pre-Design phase work.
- 2.9 Assist the Client in preparing RFP's, draft contract for Client's review and approval, and other materials required to define and evaluate scope, select, and contract with Architect and other design professionals.

SECTION 3: DESIGN, APPROVALS, AND CONSTRUCTION DOCUMENT PHASE SERVICES

CHA will be the Client's representative and will serve as liaison between the Client, the design professionals, and approval agencies.

- 3.1 Review with design professionals the criteria and program requirements established during pre-design phases. Review design for conformance with Project criteria and established budget, including conformance with Client scope and criteria.
- 3.2 Participate in design meetings with the Architect and the Client's design committee.
- 3.3 Attend municipal agency review meetings with Architect and Client.
- 3.4 Review approval agency submittals prepared by the Architect.
- 3.5 Assist Client and Architect in making presentations as requested by the Client for approvals, but not limited to, Act 34 Hearing, Board Meetings, school informational meeting, and hearings before municipalities, authorities, zoning boards, planning commissions, and other reviewing bodies having jurisdiction over the Project, etc.
- 3.6 Perform one value engineering study that includes building systems such as a code conformance options, framing systems, construction materials, HVAC systems, lighting,

constructability, phasing with technical input from Architect and consultants. Provide one value engineering report to the Client containing suggestions. Collaborate with the Client and Design Team for the value engineering items to be implemented in the Project. CHA shall provide continuous value engineering for all aspects of the Project and maintain a running spreadsheet of value engineering suggestions and costs for the Project.

- 3.7 Prepare up to two (2) overall system by system budget estimates for the Project at different stages of the design completion and review conformance of design with established budget.
- Prepare and update the Project schedule, phasing plan, and milestone schedule including formal milestone schedule and phasing plan that will be part of the bid documents. Prepare detailed drawings and other construction documents required to manage the project phasing and schedule for the Project. CHA is responsible to prepare the detailed phasing and staging drawings and other details necessary for both site and building phasing procedures. The drawings will be incorporated into the Architect's bid documents and the timelines will become a part of the contractual milestone dates. The CHA will advise the Design Team regarding the incorporation of scheduling requirements of the Client.
- 3.9 Advise Client regarding design progress, schedule, and budget.
- 3.10 Advise Client regarding submittals to governmental agencies and any perceived impact on Project schedules.
- 3.11 Assist in coordination of utility services required for the Project.
- 3.12 Advise Architect in developing alternates in bid documents to ensure competitive bidding and allow for flexibility in selecting alternates prior to award, i.e., terrazzo floors versus vinyl tile, roof systems, wall finishes, mechanical systems, etc.
- 3.13 Review bid documents for conformance with Project criteria, including PDE and municipal requirements. Perform a Constructability Review at the end of Design Development and 90% Construction Documents with full team of professionals, architectural, structural, mechanical, electrical, etc. Provide a constructability report to the Client.
- 3.14 Coordinate and document regular Design Phase meetings and prepare meeting notes.
- 3.15 Attend architectural and consultant design team meetings when required for coordination of bid documents as Client's representative.
- 3.16 Review construction options; i.e., material selection, constructability, and specification conformance with Client's standards.
- 3.17 Prepare all Division 00 and 01 bid documents based on input and requirements of Client. This includes preparation of draft Contractor agreements for Client's review and approval, temporary facilities requirements including staging and phasing requirements and drawings, Project Bid forms, unit prices, and alternates.

- (2) Costs to prepare and submit county, state, or federal approvals, including preparation of site survey, land development plans, and Conservation District (NPDES) approvals will be billed separately on a time and expenses basis or by proposal.

- (3) Investigation which requires destructive testing (i.e., masonry probes, concrete/asphalt cores, etc.) performed by a third party would also be excluded and completed under a supplementary proposal or as a reimbursable expense.
- (4) Environmental investigations.
- (5) Technical reports and studies.
- (6) Construction contract administration services other than those listed.
- (7) Certified construction inspections, material testing, and commissioning of mechanical and electrical systems.
- (8) HVAC commissioning services.
- (9) LEED Design/Documentation Services.

B. SCHEDULE

6.1 The preliminary Project timelines as defined for this Agreement are as follows. The actual timelines will be determined by the actual design and approval process.

Phase	Period	No. of Months
Prepare RFP's and Receive Proposals	5/1/25 to 6/13/25	1.5
Design Team Selection and Award	6/14/25 to 8/14/25	2
Design and Approvals	7/27/25 to 1/27/26	6
Bidding and Award	2/16/26 to 4/28/26	2
Construction	4/29/26 to 10/29/26	6
Project Closeout	10/30/26 to 11/30/26	1

6.2 If the Project timelines are extended through no fault of the CHA, CHA will submit a proposal with specific hours and fees for review by Client. No additional costs will be incurred by CHA without prior written approval of Client.

C. PAYMENT FOR SERVICES

The methods of Payment for Services and Expenses of CHA shall be as follows:

- 7.1 <u>For Basic Services</u>. Client shall pay CHA for Basic Services rendered under Section A, Scope of Services, the following amounts:
 - Prepare RFP's, Design Team Selection and Award: \$30,000.00
 - Design and Approvals: \$ 170,000.00
 - Bidding and Award: \$ 50,000.00
 - Construction: \$ TBD
 - Project Closeout: \$ TBD

- *Fees shown are for months of service shown in Section B. Additional fees may be required should any Phase extend beyond the number of months stated in Section B.
- 7.2 <u>For Additional Services</u>. Client shall pay CHA for Additional Services in accordance with the terms stated in the written authorization to perform such Additional Services.
- 7.3 For Reimbursable Expenses. In addition to payments provided for in Paragraphs 7.1 and 7.2, Client shall pay CHA the actual costs of all Reimbursable Expenses reasonably incurred in connection with all Basic and Additional Services. Reimbursable expenses for project-related expenses such as printing, mileage, etc., will not exceed \$20,000 without prior approval of Client. Reimbursable Expenses are defined as actual expenses reasonably incurred by CHA or CHA's independent professional associates or consultants, directly or indirectly in connection with the Project, but such Reimbursable Expenses shall only be paid in accordance with Paragraph 7.3, at cost.
- 7.4 <u>Times of Payments</u>. CHA shall submit monthly invoices for Basic and Additional Services rendered pursuant to the fees and schedules listed above, and for Reimbursable Expenses incurred. Invoicing is based upon the schedule identified in Section B and the fees identified for each Phase in Section 6.1 on a prorated basis per month. The Client shall make prompt monthly payments in response to CHA's invoices.
- 7.5 The included hourly rate fee schedule in Section 7.6 shall apply for any additional or hourly rate services billed. The annual inflation increase for all professional fees is 2%.

BAVTS Main Building Capital Improvements Proposal

Dear Deb:

RE:

We are pleased to provide you with this fee proposal for the Design and Construction Observation for Capital Improvements Projects at the BAVTS Main Building.

This proposal includes Design, Engineering and Construction Administration Services related to the Repurposing of Interior Spaces for New Program Needs as well as Site Improvements that include Additional Student Parking and Driveway Modifications. This proposal requires a Scope of Work that is not typical of a Capital Improvements Project since it requires Site Plan and Land Development approvals as well as Construction Documents and Designs of multiple systems.

PROJECT DESCRIPTION

The Repurposing portion of the project includes Capital Improvements and Repurposing of interior spaces as required for new student programs that include Veterinary Technician, Health Careers, Medical Office Administration, Cyber Security, Computer Networking, Conference room and Future Co-Op at the BAVTS Main Building. The work will include new interior finishes, new casework, and new electrical and communications devices as required for each new program. The Repurposing will also include modifications for a Secure Entrance Vestibule and Improvements to the Main Entrance Facade.

The Site Improvements portion of the Project will include a New Student Parking Area and Modifications to Existing Driveways to provide additional traffic separations and flow for students and staff. These improvements will require Township Approvals including Land Development, Planning Commission and the Board of Commissioners.

The applicable building code for this project will be the PA Uniform Construction Code, based on the International Building Code (IBC) 2018.

Based on the above Project the following Services will be provided:

A. SCOPE OF SERVICES

GENERAL

- 1. Attendance at Board or Facilities Committee meeting at the Client's request to discuss engineering issues as they relate to Capital Improvements.
- 2. Assistance to Client in scheduling for the project and establishing budgets.
- 3. File for prevailing wages and incorporate wage requirements into contract(s).
- 4. Prepare milestone project schedule.

SECTION 1: SCHEMATIC DESIGN PHASE:

- 1.1 Visit the Project Site to Survey existing conditions.
- 1.2 Provide Schematic Design Site Plan and Building Floor Plans.
- 1.3 Provide Construction Budget based on Schematic Design.

SECTION 2: DESIGN PHASE

- 2.1 Design and specify all components for the construction of the Repurposing of Spaces.
 - a. Demolition and Proposed Floor Plan.
 - b. Finish Schedules.
 - c. Casework Plans and Elevations.
 - d. Sections and Details.
- 2.2 Provide Civil Engineering Services required to obtain approvals from Bethlehem Township.
 - a. Preliminary and Final Land Development Plans.
 - b. Grading and Utility Plans.
 - c. Drainage Area Map and Drainage Report.
 - d. Landscape and Lighting Plans.
 - e. Soil Erosion and Sediment Control Plans.
 - f. Civil Construction Details.
- 2.3 Provide Electrical Engineering Services.
 - a. Lighting Plans.
 - b. Power and Communications Plans.

SECTION 3: BIDDING PHASE

- 3.1 Prepare bid drawings, specifications, and other contract documents for bid package, advertisement for bids, and assist in soliciting bids from contractors.
- 3.2 Conduct a pre-bid conference, respond to contractor questions, and issue any necessary addendum.
- 3.3 Review bids, prepare contracts, including review of bonds and insurance for conformance with contract requirements.

SECTION 4: CONSTRUCTION ADMINISTRATION SERVICES

- 4.1 Review construction shop drawings and submittals.
- 4.2 Prepare design-related construction change sketches.
- 4.3 Visit site two times a week to verify construction activities meet the requirements of the construction documents.

- 4.4 Attend weekly construction meetings as required, through Project construction to observe general conformance with construction documents and to address design related construction issues.
- 4.5 Review and analyze contractors' requests for change orders or field modifications.
- 4.6 Respond to contractors' RFI's.
- 4.7 Prepare a final punchlist upon substantial completion of construction.

SECTION 5: EXCLUSIONS

These fees do not include the following items:

- 5.1 Environmental investigations and hazardous material abatement procedures.
- 5.2 Technical reports and studies.
- 5.3 Certified construction inspections and material testing.
- 5.4 LEED Design/Documentation Services.
- 5.5 Solar engineering design.
- 5.6 Design of emergency power generation and distribution systems.
- 5.7 Documentation of as-built conditions.

B. SCHEDULE OF DELIVERABLES

6.1 It is anticipated that design work will commence immediately and progress continuously. Our fee is based on the following anticipated timelines:

Phase	Period	No. of Months
Design and Approvals	5/25 to 2/26	9
Bidding and Award	2/26 to 4/26	2
Construction	6/26 to 9/26	3
Project Closeout	9/26 to 10/26	1

6.2 If the above timelines are exceeded though no fault of CHA, the fee proposal will be modified as Additional Services with prior written approval from BAVTS.

C. PAYMENT FOR SERVICES

- 7.1 The Scope of Services defined in Section A will be performed for a lump sum fee of \$405,800.00. The fee is broken down into the following phase amounts:

13. CONTRACT FOR SERVICE WITH COLONIAL IU 20 – PHONE SERVICE

INFORMATION:

Colonial IU 20, in partnership with Ironton Telephone Company, currently provides telephone services to BAVTS. Under this agreement, Colonial IU 20 delivers the phone service and offers support for any service-related issues. The proposed renewal would extend the agreement for an additional three-year period.

RECOMMENDATION:

It is recommended that the Joint Committee approve the renewal of the phone service agreement with Colonial IU 20, at a total cost not to exceed \$17,320.08 over the three-year term of July 1, 2025 through June 30, 2028.

To comply with Federal laws, State laws, and State Department of Education regulations concerning equal rights and opportunities and to assure these within our Intermediate Unit, the Colonial Intermediate Unit 20 declares itself to be an equal rights and opportunities agency. As an equal rights and opportunities agency, it does not discriminate against individuals or groups because of race, color, national origin, religion, age, sex and disabilities as defined by law. The Intermediate Unit's commitment to non-discrimination extends to students, employees, prospective employees, and the community.

Successful performance and affirmative action program efforts will provide positive benefits to the Intermediate Unit through fuller utilization and development of previously underutilized human resources. Coordinator of Title IX, Section 504 and ADA is The Director of Human Resources and Research Services, Colonial Intermediate Unit 20, 6 Danforth Drive, Easton, PA 18045, (610) 515-6405, TDD/TTY Hearing Impaired (610) 252-3786.

14. STAFF LAPTOP REFRESH

INFORMATION:

Many of our staff laptops are now five to seven years old and have exceeded their expected operational life. These devices are increasingly experiencing hardware and performance issues, resulting in decreased productivity and requiring regular attention to resolve performance-based issues. Because they are out of warranty, repairs are often not cost-effective, and replacement becomes the only viable option when failures occur.

This proposal includes updated laptops for current staff and replacements for several staff members still using desktop computers. Providing these staff members with laptops will offer greater flexibility, enabling them to work remotely when needed and be more mobile throughout the school day. This aligns with our broader goals of increasing efficiency and adaptability in daily operations.

The quote was obtained through the COSTARS cooperative purchasing program (Contract #: COSTARS-003-E22-603), ensuring competitive pricing and compliance with state procurement requirements. This purchase was planned within the 2024-2025 Information Technology budget.

RECOMMENDATION:

The Joint Committee approves purchasing 52 Dell laptops from BIT Direct at a total cost of \$78,196, as detailed in the attached proposal.

15. PROPOSED 2025-2026 SCHOOL CALENDAR

INFORMATION:

BAVTS administration has been working closely with representatives of the three districts attempting to develop a calendar for the 2025-2026 school term that mirrors the districts. Attached is the proposed calendar for 2025-2026 as well as a matrix indicating the remaining conflicting days within the three school districts and BAVTS.

The proposed calendar detailing paid holidays for 12-month employees, per the respective employee agreements, for the 2025-2026 school year is also presented for review and approval.

RECOMMENDATION:

That the 2025-2026 school calendars be approved as presented.

Monday	May 25, 2026	Memorial Day

In addition to the above holidays, employees in the above-stated groups will be entitled to an additional three (3) flex/paid holidays.

J.(1.) 2025-2026 BETHLEHEM AVTS BUDGET

INFORMATION:

Administration has received, from all three participating school districts, the acceptance of the Bethlehem AVTS 2025-2026 budget in the amount of \$15,555,038.

At the Regular Meeting of the Board of School Directors of the Bethlehem Area School District held on March 17, 2025, with a vote of 9 Yes, 0 No, 0 Absent, and 0 Abstaining, the budget was approved with BASD contribution at \$7,232,236.

At the Regular Meeting of the Board of School Directors of the Northampton Area School District held on April 14, 2025, with a vote of 7 yes, 0 No, 1 Absent, and 0 Abstaining, the budget was approved with NASD contribution at \$3,339,635.

At the Regular Meeting of the Board of School Directors of the Saucon Valley School District held on April 22, 2025, with a vote of 8 Yes, 0 No, 1 Absent, and 0 Abstaining, the budget was approved with SVSD contribution at \$1,147,742.

J. (2.) BRIDGES AGREEMENTS

INFORMATION:

Included in the budgets since 2019-2020 is the Director of Development and Marketing Director Position that is reimbursed by the Bridges Foundation. The current agreements with Bridges and the employee expire June 30, 2025. The agreements will be presented at the June 2025 meeting for approval for a one-year term for the 2025-2026 fiscal year.

J. (3.) REQUEST FOR BUDGET TRANSFER FOR EBTEP RESERVES

INFORMATION:

At the June meeting, the administration may request a reallocation of funds associated with personnel, benefit and other savings to transfer additional funds into its EBTEP reserves. We based our 25-26 budget on Fall rating increase of 0.2% received from Conrad Siegel. The updated 25-26 rate recommendations contained an increase of 5.0% due to increased claims activity. We will be looking for an additional transfer to allow for composite funding rate stability going forward.

J. (4.) REQUEST FOR BUDGET TRANSFER FOR SCHOOL BUS

INFORMATION:

The 25-26 BAVTS General Fund Budget included the new position of School Support Officer. The approved job description requires that the person have a CDL-Bus Endorsement or obtain one within six months of hire. The administration will be looking for a transfer to Capital Reserve at the June meeting to fund the purchase of a school bus to be used to transport students to various offsite activities. The estimated bus cost is \$100,000. We would need to issue an RFP/RFB to solicit pricing due to the proposed cost.

J. (5.) REQUEST FOR BUDGET TRANSFER FOR FOOD TRAILER

INFORMATION:

Last year, BAVTS purchased a 2023 Ford F-350 for the purpose of towing the Fiat as well as a proposed food trailer. When paired with a food trailer, the Ford provides greater flexibility for offsite events with the ability to transport student food truck workers. As we look forward to the new Factory Building location, we would keep the food truck at that location. The administration will be looking for a transfer to Capital Reserve at the June meeting to fund the purchase of a food trailer. The estimated cost is \$100,000. We would need to issue an RFP/RFB to solicit pricing due to the proposed cost.

J. (6.) REQUEST FOR BUDGET TRANSFER FOR FOOD SERVICE FUND

INFORMATION:

In recent years, BAVTS has received Supply Chain Assistance Funding for its food service program. The funding was not received in the current fiscal year and it is not expected to be received again. The administration may be requesting a transfer to Food Service Fund at the June meeting to replace the lost funding.

J. (7.) WORK PROJECT REPORT

INFORMATION:

The project control report is a list of work that the students complete as an educational experience within their respective shop area. The priority listing for acceptance/rejection of these work orders is as follows:

Projects for Bethlehem AVTS	1
Projects for participating school districts	2
Projects for non-profit organizations	3
Projects for persons who are not employees of BAVTS or sending districts	4
Projects for BAVTS and attendance area employees and board members

EXCESS OF REVENUE OVER EXPENSES

J. (9.) HOUSE PROJECT UPDATE

INFORMATION:

Mr. Lazarchak informed the Joint Committee members present that the students are moving along with the spackling and drywall upstairs and they are installing the kitchen cabinets. The Joint Committee requested a listing of what tasks still need to be completed in order for the house to be ready for sale.

NEW BUSINESS

Mr. Lazarchak informed the Joint Committee that he sits on the Bethlehem Sister City Committee for the City of Patillas in Puerto Rico. They are interested in strengthening their career and technical education system and are also seeking assistance in home building. Fundraising by the Committee is ongoing to send a group to Puerto Rico in December and Mr. Lazarchak will be requesting approval for Brian Moser, Construction Management Instructor, and himself to accompany the group, with the hopes of sending students at a later date to assist in home building. The cost of the trip is not to exceed \$3,000; a \$50 deposit is required by May 15th. The Joint Committee members in attendance were fully supportive of this endeavor.

Mr. Lazarchak reported that we are in the middle of Teacher Appreciation Week and had another successful Teacher Appreciation Luncheon hosted by our parents today. We have a Rock and Roll theme for the week and still have plenty of surprises in store to show our gratitude to our professional staff.

The recent Bridges fundraising event was very well attended and raised approximately \$14,000 for The Bridges Foundation.

Mr. Michael Galler, Supervisor of Career and Technical Education, advised that Food Truck Tuesdays will continue through June 24th. Our end of year celebration, Senior Recognition, will take place on Tuesday, June 3rd, at Liberty High School starting at 6:30 p.m.. A reception showcasing the 31 students who will be receiving Bridges Excellence Awards will take place prior to the event starting at 5:00 p.m. The Joint Committee is invited to attend and celebrate the BAVTS Class of 2025.

There being no further business, on a motion by Director Faccinetto, seconded by Director Schenkel and all present voting in favor, the meeting was adjourned at 7:42 p.m.
